

YAWL OVERTURNS MAN IS DROWNED

Three of His Companions Were
Thrown Into the Water When
a Gust of Wind Upset Small
Craft.

Gustav Carlson, a sailor on the yacht *Mondeo*, was drowned and three companions, sailors on the *Mondeo* and *Clith*, were rescued with difficulty today after being thrown in the water off Whitestone, L. I., from a capsizing yawl.

The men, Ulrich Samuelson, Leonard Thompson and Carlson, of the *Mondeo*, had been visiting Miss Hartley, employed on Mr. Charles Wood's yacht, *Clith*. All four were returning to the *Mondeo* in a small yawl, when a sudden gust of wind overturned the boat.

They were tumbled into the water and Carlson went to the bottom. The other three men, none of whom could swim, floundered about, but were saved from sinking by being entangled in the rigging of the capsized boat. The whitecaps were pounding over their heads, and had not Capt. Bartow, of the schooner yacht *Jones*, put out to their rescue in a small boat they would all have drowned.

TWO FELL IN; ONE DROWNED.

Government Fireman Not Seen After He Tumbled Overboard.

Samuel Whittaker, sixty years old, a fireman on the United States tug *H. E. Chamberlain*, was drowned at Dock B, foot of Grand street, Jersey City, early today. He fell from the pier while walking toward the tug with Patrick Kehoe, a fireman of the United States steamer *Grassham*. Kehoe was thrown by Kehoe, Policeman T. J. Murphy and boatmen, but Whittaker was not seen after the first plunge. The body has not been found.

Whittaker had been in the service of the Government many years. It is thought he became suddenly ill.

STRAWS

Skill can transform a plain piece of glass into a priceless treasure—"cut glass." Straw is awfully cheap, but it's the skill applied that makes it "cut-glass" value. Moral! Young's prices are as low as Young's quality will permit.
